## Product Specifications

Model	D12	Transmit power	Maximum transmit power : Class3(23dBm+2dB)
Network	CN FDD : B1/3/5/8 TDD : B34/38/39/40/41	Frequency	4G
		Half duplex voice intercom	Supported
		Full duplex voice call	Not Supported
		Group	Supported
		Individual Call	Supported
	LA FDD : B2/3/4/5/7/8/28/66	AES256 Encryption	Not Supported
		Real-time Video	Not Supported
		Positioning	Not Supported
		SOS	Not Supported
OS	RTOS	Electricity signal reporting	Supported
Terminal type	4G POC Radio	Multimedia message	Not Supported
Screen	1.77 inch SPI color screen	Voice Announcements	Supported
Resolution	128*160	Fall alarm	Not Supported
Size	177*53*25mm	NFC patrol	Not Supported
Weight	86g	Battery Type	Removable lithium polymer battery
SIM Card Type	Dual&Nano Simcard	Battery Capacity	1100mAh
4G Antenna	Built-in FPC antenna	Rated voltage	3.7V
Mic	-58DB	Operating voltage	3.4-4.2V
Speaker	36mm 8Ω 2W	Charging parameters	5V 450mA
Communication interface	Type-C	Charging type	Cable
Audio interface	Type-C		
Charging interface	Type-C		

## Standard Accessories

Battery

Adapter

Charging cable
